10th Annual

10<sup>th</sup> Annual

As member artists of the Off The Beaten Path group, every October we open our studios to the public for one weekend. It's a chance to meet in the setting which inspires our creativity, see and discuss our work, and purchase or commission an original piece for your enjoyment. This year, 26 artists are participating. Come explore and experience a range of traditional and contemporary fine art and craft: wood, clay, glass, fiber, painting, papermaking and photography. This free tour is entirely self-guided. Travel at your pace, visit our studios in any order.

As you drive, you'll enjoy the breathtaking scenery of DeKalb and Cannon Counties, and the Center Hill Region, when fall colors are at their best. So, once again we invite and encourage you to take a break from your routine. Join us for an inspiring day, afternoon or weekend "off the beaten path." We look forward to seeing you!
